ABOUT US

Balkranti Foundation is a non-profit organization committed to empowering communities across India through sustainable and long-term development initiatives. Established during the challenging pandemic period, the foundation began with a clear purpose – to support vulnerable families, uplift underprivileged children, and create accessible opportunities for a better future.

The organization works across key focus areas including Education, Healthcare, Nutrition, Environmental Conservation, Women Empowerment, and Human Rights. Over time, Balkranti Foundation has developed a strong network of volunteers and community supporters who work closely at the grassroots level to deliver meaningful and measurable impact.

We believe that lasting change begins with compassion, responsibility, and collective action. Through every initiative, our aim is to strengthen communities and provide resources that help individuals lead healthier, safer, and more dignified lives.

OUR JOURNEY

Balkranti Foundation began its journey during one of the toughest periods in recent history—the global pandemic. What started as a small effort to support families in crisis soon grew into a committed movement to uplift vulnerable communities across India. From distributing essential food and health kits to providing stationery and education support for underprivileged children, our mission steadily expanded with the help of dedicated volunteers and supporters. Over time, we strengthened our focus on key areas such as education, healthcare, environmental conservation, and human rights. Each step of our journey has been driven by compassion, collaboration, and the belief that every child and every family deserves dignity, safety, and equal opportunity. Today, we continue to grow with the same spirit, creating sustainable impact and empowering communities—one initiative at a time.

VISION

To build an inclusive, empowered, and sustainable society where every child has access to quality education, every community lives in harmony with nature, and every individual enjoys dignity, safety, and equal opportunities for a better future.

MISSION

Our mission is to uplift underprivileged children by providing accessible education and holistic development opportunities, while ensuring essential healthcare, nutrition, and welfare support for vulnerable communities. We are committed to promoting environmental conservation and encouraging sustainable living practices across all our initiatives. Balkranti Foundation also focuses on empowering women and marginalized groups through awareness programs and skill-building activities. We strive to protect human rights by creating safe, inclusive, and equitable environments. Through strong collaboration with volunteers, partners, and community leaders, we work to deliver meaningful and long-lasting social impact.

FOUNDER'S MESSAGE

At Balkranti Foundation, our journey is driven by compassion, purpose, and a deep commitment to social change. Since our inception, we have been dedicated to uplifting communities across India through education support, healthcare initiatives, nutrition programs, emergency relief, and inclusive welfare services. Every step we take is guided by empathy and a vision to make meaningful, sustainable impact.

Through the year 2023–24, we have worked alongside volunteers, beneficiaries, donors, and community partners to extend support where it matters most. From empowering children with education resources to enhancing hygiene awareness and assisting vulnerable families, each intervention reflects our belief that collective action can transform lives.

Our focus remains on measurable outcomes, accountability, and transparent operations to ensure that every contribution creates real value. We are especially grateful to our CSR partners, government allies, volunteers, and well-wishers who have stood with us in this journey.

As we move forward, we remain steadfast in our mission to expand our reach and deepen our impact — empowering individuals and communities for a brighter, more equitable future.

Warm regards,

Kavita Dev

Founder, Balkranti Foundation

IMPACT PRINCIPLES

Balkranti Foundation's initiatives are aligned with the United Nations Sustainable Development Goals (SDGs). Our programs respond to real community needs while supporting long-term, inclusive, and sustainable development. The following principles guide every action we take:

1. SDG 1: NO POVERTY

Our food distribution, emergency relief, parents counseling, and community welfare programs reduce hardships faced by vulnerable families and provide stability during financial and social crises.

2. SDG 2: ZERO HUNGER

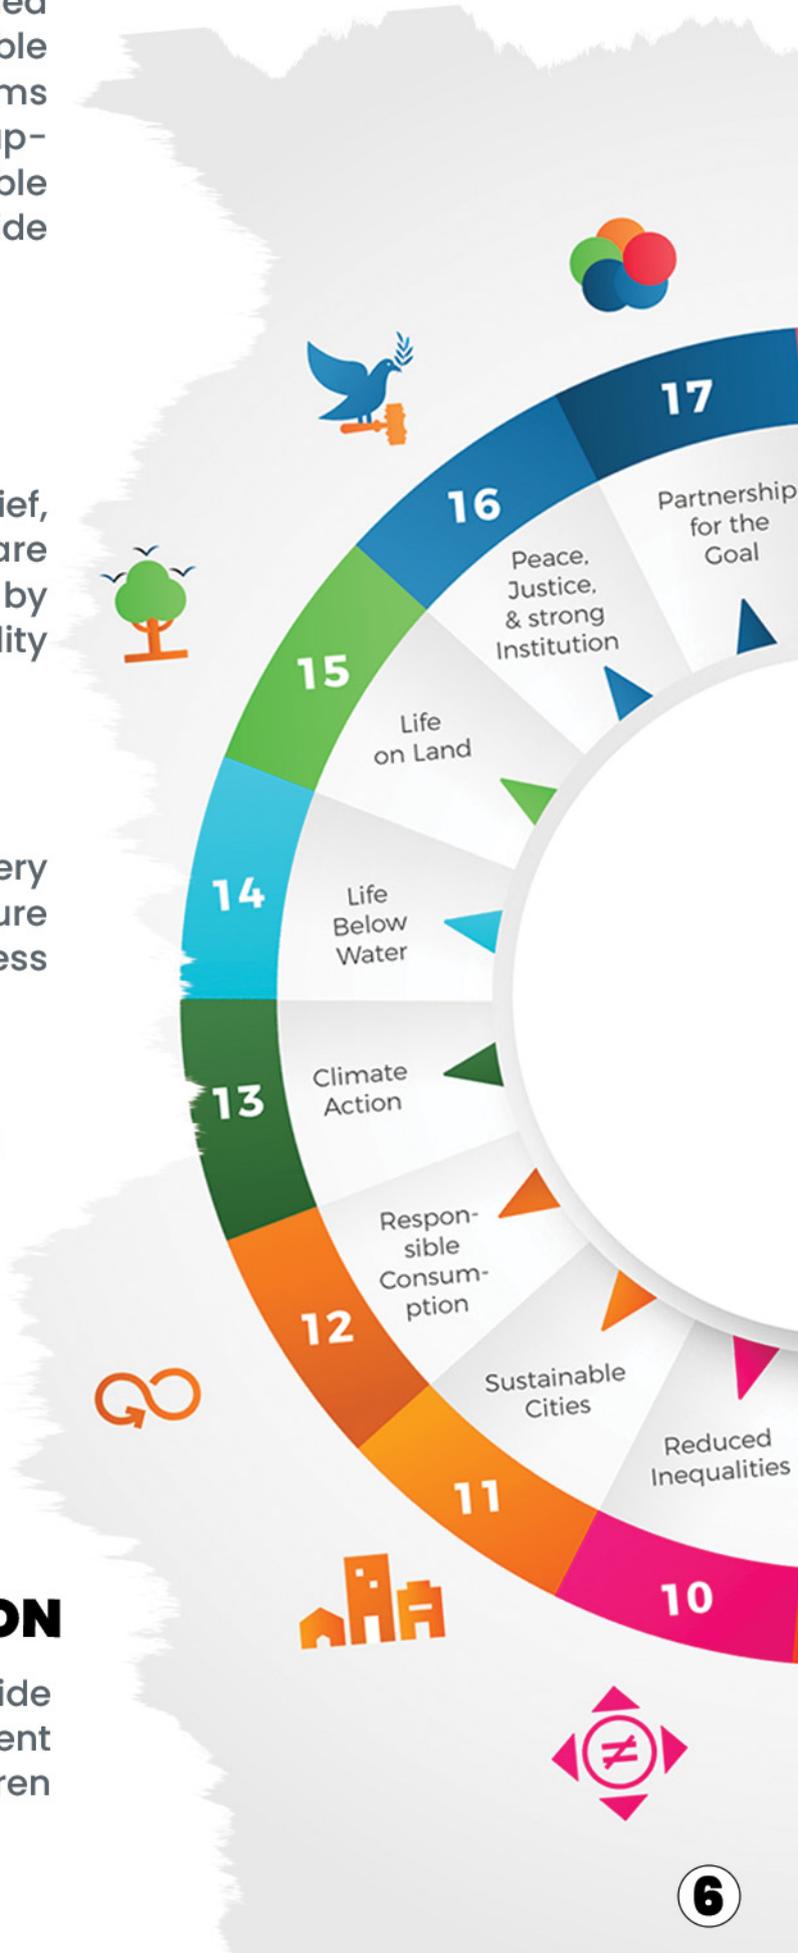

Through nutritious food plates, grocery support, and nutrition outreach, we ensure children and families receive regular access to healthy and safe meals.

3. SDG 3: GOOD HEALTH AND WELL-BEING

Healthcare and hygiene initiatives promote preventive care, sanitation awareness, and healthy habits, improving physical and emotional well-being across communities.

4. SDG 4: QUALITY EDUCATION

Education support programs provide stationery, learning materials, and parent guidance to help underprivileged children continue schooling without barriers.

5. SDG 5: GENDER EQUALITY

Women and child welfare initiatives focus on awareness, confidence building, and equal access to resources for women and young girls.

6. SDG 6: CLEAN WATER AND SANITATION

Hygiene drives and sanitation awareness promote safe practices, cleanliness, and healthier living environments in communities.

6. SDG 10: REDUCED INEQUALITIES

Hygiene drives and sanitation awareness promote safe practices, cleanliness, and healthier living environments in communities.

8. SDG 12: RESPONSIBLE CONSUMPTION AND PRODUCTION

Through community awareness and distribution planning, we encourage responsible use of resources and reduction of waste during program implementation.

9. SDG 13: CLIMATE ACTION

Environmental awareness activities, plantation drives, and clean-up campaigns motivate communities to participate in conservation and climate responsibility.

10. SDG 17: PARTNERSHIPS FOR THE GOALS

Our work is strengthened through collaboration with volunteers, partners, institutions, and community leaders to expand reach and long-term impact.

IMPACT

THROUGH NUMBERS

1000+

Children received essential stationery kits to support their education and daily learning needs.

540+

Students were provided with health and hygiene kits to promote safety and well-being.

750+

Nutritious food plates were served to underprivileged children and families facing food insecurity.

180+

Families received direct support during flood relief through food, clothes, and medical assistance.

65+

Children attended awareness sessions on health, hygiene, and personal safety.

120+

Community members benefited from environmental awareness drives and cleanliness initiatives.

195+

Women and children were supported through welfare programs focused on safety, nutrition, and basic needs.

130+

Parents received guidance and emotional support through structured parents counseling sessions.

75+

Children benefited from safe supervision, nutrition, and early learning at the Baby Care Centre.

60+

Children with disabilities received inclusive care, emotional support, and development assistance.

50+

Volunteers actively participated in education, health and emergency outreach activities across communities.

KEY PROGRAMS

1. EDUCATION SUPPORT

Our Education Support Program provides essential stationery kits, notebooks, and learning materials to underprivileged children. These resources help them stay engaged in school, continue their studies confidently, and build a strong foundation for their future.

2. HEALTHCARE & HYGIENE

Through our Health Kits Initiative, we promote basic hygiene, safety, and preventive care among children and families. The kits include essential items that improve daily health practices and support overall well-being.

3. FOOD & NUTRITION

Through our Health Kits Initiative, we promote basic hygiene, safety, and preventive care among children and families. The kits include essential items that improve daily health practices and support overall well-being.

4. EMERGENCY & FLOOD RELIEF

During floods and emergencies, our team provides immediate relief—food, clothing, medical aid, and essential supplies. Quick action and community support help families recover and rebuild their lives with dignity.

5. OLD AGE HOME SUPPORT

We support senior citizens in old age homes by providing essential supplies, hygiene materials, nutrition assistance, and emotional care aimed at improving their daily well-being.

6. WOMEN & CHILD SUPPORT

Our welfare initiatives focus on strengthening women and children through awareness activities, basic support, and community engagement. We aim to create safe, supportive, and empowering spaces for them.

7. VOLUNTEER SUPPORT

Our volunteers play a vital role in education, health camps, distribution drives, and emergency activities. Their involvement ensures that our impact reaches more communities in need.

8. PARENTS COUNSELING

Through our Parents Counseling Program, we guide parents on child care, education awareness, emotional support, and healthy family practices. These sessions help parents build stronger relationships with their children and create a positive home environment for growth and stability.

9. BABY CARE CENTRE

Our Baby Care Centre provides safe supervision, nutrition, hygiene, and early learning support for infants and young children. The centre creates a secure space where children grow with care while parents, especially mothers, can work peacefully with confidence.

10. DISABLED CHILD SUPPORT

We support children with disabilities through inclusive care, emotional encouragement, and developmental assistance. Our initiative focuses on dignity, confidence, and participation so that every child gets equal opportunities to learn and grow within the community.

PEOPLE IMPACT

Our programs are designed to create long-term, meaningful benefits for the communities we serve. From education and healthcare to food support and environmental awareness, every initiative reflects the real needs, voices and experiences of people on the ground. By listening to communities and responding with sustainable solutions, we ensure that the impact continues far beyond the moment of support. The transformation we witness is not just in numbers—it's in confidence, opportunity, and hope that grows within every child and family we reach.

FINAL MESSAGE

Thank
you!

Together, we are building change that lasts. With every step, every initiative, and every person we support, we move closer to a future where communities stand stronger, children dream bigger, and opportunities reach everyone. The journey continues—and so does our commitment to transform lives with dignity, compassion, and purpose.
