FOUNDER'S MESSAGE

At Balkranti Foundation, we believe every child deserves the opportunity to learn, grow, and live with dignity. However, many children still face challenges due to limited resources and unequal opportunities.

What began as a small initiative has grown into a committed effort to create meaningful change. Our focus remains on empowering children through education, essential support, and inclusive development.

As we move forward, we continue to strengthen our efforts to reach more children and build opportunities where every child can thrive.

Together, we can create a future where no child is left behind.

Kavita Dev – Founder, Balkranti Foundation

CEO'S MESSAGE

At Balkranti Foundation, we believe every child deserves dignity, opportunity, education, and a safe environment to grow. Our mission is rooted in creating meaningful change in the lives of underprivileged children, women, and communities through education, healthcare, skill development, and social empowerment.

Over the past year, our team, volunteers, and supporters have worked tirelessly to expand our outreach. From supporting children's education to conducting healthcare camps and livelihood programs, every effort reflects our commitment to building a more inclusive and compassionate society.

We recognize that sustainable social change is only possible through collective action. We are deeply grateful to our donors, partners, and community members who stand beside us. Your trust and support inspire us to work harder, maintain transparency, and reach further.

"Together, we can empower lives, nurture hope, and create lasting change for future generations.

- Mr. Deepak Mishra - CEO , Balkranti Foundation

ABOUT **BALKRANTI** FOUNDATION

Balkranti Foundation is a non-profit organization committed to creating meaningful and long-term impact in the lives of underprivileged communities across India. With a strong focus on children, the foundation works towards building opportunities that promote education, dignity, and a better quality of life.

Our core efforts are centered around supporting children through educational initiatives, essential resources, and community-based programs. We believe that education is the foundation of change, and every child deserves access to learning, guidance, and a safe environment to grow.

Alongside education, we actively work in areas such as healthcare, nutrition, women and child welfare, and emergency support. Our initiatives are designed to address real challenges faced by communities and provide practical, sustainable solutions.

Driven by compassion and supported by dedicated volunteers and partners, Balkranti Foundation continues to expand its reach and strengthen its impact. Every step we take is guided by a single purpose—to empower lives and create a future where no child is left behind.

VISION & MISSION

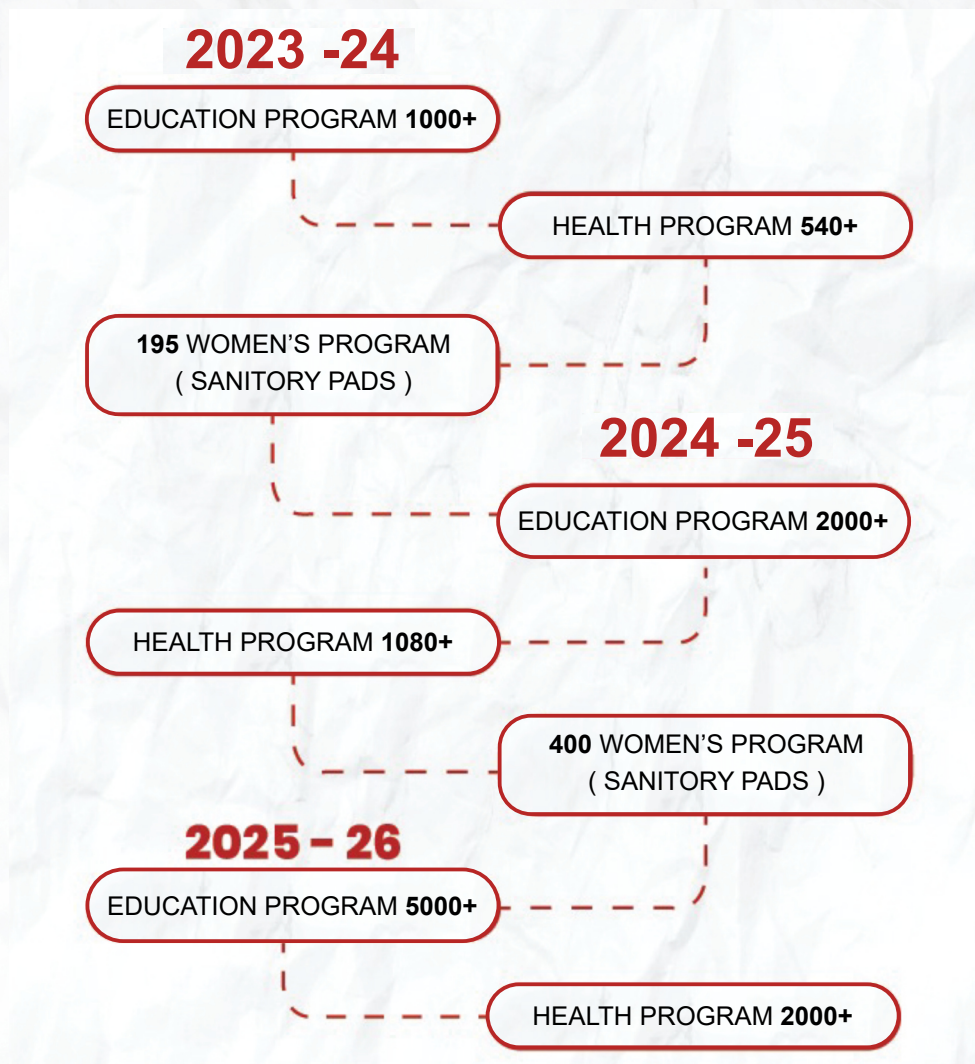

VISION

To create an inclusive and empowered society where every child has access to education, equal opportunities, and the support needed to live with dignity.

MISSION

Our mission is to uplift children and communities by providing access to education, essential resources, and inclusive support systems. We aim to create sustainable impact through community-driven initiatives, awareness programs, and compassionate action.

OUR STORY & JOURNEY

IMPACT PRINCIPLES

At Balkranti Foundation, our work is deeply aligned with the United Nations Sustainable Development Goals (SDGs), guiding our efforts towards creating sustainable, inclusive, and long-term impact across communities.

Each of our initiatives is designed not only to address immediate challenges but also to contribute towards building a stronger and more equitable society. By integrating global development goals into our programs, we ensure that our work remains meaningful, measurable, and impactful.

NO POVERTY

We work towards reducing poverty by supporting vulnerable families with essential resources, including food, clothing, and emergency relief. Our welfare programs aim to provide immediate support during difficult times while also enabling families to move towards stability and self-reliance.

GOOD HEALTH & WELL-BEING

We promote health and well-being by providing hygiene kits, conducting awareness sessions, and encouraging preventive healthcare practices. Our initiatives focus on improving daily health habits and ensuring that children and families live in safe and healthy environments.

ZERO HUNGER

Access to nutritious food is fundamental for a healthy life. Through our food distribution programs and nutrition support initiatives, we ensure that children and families receive balanced meals and grocery assistance, helping combat hunger and malnutrition in underserved communities.

QUALITY EDUCATION

Education is at the core of our mission. We support children by providing school supplies, learning materials, and awareness programs that encourage continuous education. Our goal is to remove barriers that prevent children from attending school and empower them to build a brighter future.

GENDER EQUALITY

We believe in equal opportunities for all. Through our programs, we support women and girls by creating awareness, promoting confidence, and ensuring access to essential resources that help them lead independent and empowered lives.

CLEAN WATER & SANITATION

We promote hygiene and sanitation awareness to improve living conditions in communities. Our initiatives encourage safe practices, cleanliness, and access to healthier environments, reducing the risk of diseases.

CLIMATE ACTION

Through environmental awareness drives, plantation activities, and community engagement, we promote actions that contribute towards protecting nature and combating climate change.

IMPACT THROUGH NUMBERS

2000+

Children received educational support including stationery kits, learning materials, and school essentials to continue their education.

1000+

Students benefited from healthcare and hygiene programs promoting safety, awareness, and well-being.

350+

Families received emergency assistance during floods and crisis situations, including food, clothing, and medical aid.

1500+

Nutritious food plates and grocery support were distributed to children and families facing food insecurity.

300+

Women and caregivers were supported through welfare programs and essential resources.

120+

Volunteers actively contributed to education drives, health camps, and community outreach activities.

400+

Individuals engaged in environmental and awareness initiatives including plantation and cleanliness drives.

250+

Children participated in awareness sessions focused on hygiene, safety, and personal development.

KEY PROGRAMS

At Balkranti Foundation, our programs are designed to address the real needs of children and communities. Each initiative focuses on creating meaningful, long-term impact through support, care, and empowerment.

1. Education Support

Reading Promotion:

To address the problem of low reading proficiency, the Reading Promotion Program adopts a comprehensive, child-centered approach aligned with the vision of the National Education Policy 2020. The initiative focuses on building a strong foundation in early language development through structured and engaging reading strategies. Establishing classroom libraries and reading corners, ensuring that children have regular access to age-appropriate and culturally relevant reading materials.

Interactive methods such as storytelling, read-aloud sessions, and peer learning activities are used to cultivate interest, improve comprehension, and build confidence in reading.

In addition, the project strengthens teaching practices by equipping educators with effective pedagogical tools, including phonics-based instruction, guided reading techniques, and differentiated learning approaches to address diverse learning needs. Continuous assessment mechanisms are integrated to monitor student progress and identify children who require additional support. These are followed by targeted remedial interventions to enhance reading outcomes.

Shiksha Setu:

Foundation Literacy and Numeracy (FLN) is a critical priority for ensuring that every child attains basic reading, writing, and arithmetic skills at an early stage of education. In alignment with the goals of the National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat) and the vision of NEP 2020, Balkranti Foundation actively works to strengthen FLN through its Shiksha Setu Program.

This program focuses on bridging foundational learning gaps by adopting a child-centered and inclusive approach. It promotes print-rich classrooms, engaging teaching methods such as storytelling, phonics-based learning, and activity - based numeracy practices. The foundation also emphasizes teacher training, community participation, and regular assessments to monitor progress and provide targeted support.

Digital Financial Inclusion:

Balkranti Foundation proposed the 'Digital Financial Inclusion for Youth Program'. This intervention would involve children & youth from 13 - 24 years of age. The project aims particularly by promoting responsible saving and expenditure practices through the increased use of digital financial platforms. It will directly reach out to 500 youth, equipping them with essential knowledge, skills, and confidence to manage their finances effectively in a digital ecosystem. The project will adopt an engaging and experiential approach by integrating Activity-Based Learning and Sports for

2. Disabled Child Support

Job Readiness Program:

To address the challenges of unemployment among students with disabilities, a comprehensive job readiness program tailored specifically for adolescents with disabilities is essential. Such a program should adopt a holistic approach that integrates both vocational and life skills development. Customized skill training aligned with industry needs, developed in collaboration with key institutions, can ensure that participants gain relevant and employable competencies. Equally important is

the inclusion of soft skills training such, as communication, teamwork, problem-solving, and workplace etiquette, which are crucial for long-term success and independence. Career guidance and mentorship should form a central component of the program, helping adolescents explore career options that align with their strengths, interests, and abilities. Personalized counseling can empower them to make informed decisions and set realistic goals. Furthermore, partnerships with inclusive companies are vital for creating pathways into the workforce. These collaborations can facilitate internships, apprenticeships, and on-the-job training, providing valuable real-world exposure and boosting confidence. In addition, employer sensitization programs can help reduce stigma and promote inclusive hiring practices, ensuring a more supportive and accessible work environment for individuals with disabilities.

Hope and Hear:

A Holistic Inclusion Initiative is a comprehensive program dedicated to supporting children with hearing impairment through a continuum of care. The program provides early diagnosis, pre and post-cochlear implant management, and consistent therapeutic support to ensure optimal development outcomes. Qualified and experienced auditory-verbal therapists conduct regular, structured sessions that focus on developing spoken language through listening. This approach empowers children to build communication skills in a natural and meaningful way. A key strength of the program is its active involvement of parents and family members, enabling them to support and reinforce spoken language development within everyday home environment.

3. Healthcare & Hygiene

Our initiatives focus on promoting health and well-being by distributing hygiene kits, conducting awareness sessions, and encouraging preventive healthcare practices among children and families.

4. Food & Nutrition

We provide nutritious meals and grocery support to children and families facing food insecurity, ensuring better health and improved living conditions.

SUCCESS STORIES

FROM UNCERTAINTY TO A CLASSROOM DREAM

Rahul's Story

Rahul, a 10-year-old boy from a low-income family, had almost given up on his dream of going to school. His father worked as a daily wage laborer, and due to financial struggles, education had slowly become unaffordable.

Without proper school supplies, Rahul often stayed back while other children attended classes. When Balkranti Foundation reached his community, his situation was identified, and he was provided with school materials, learning support, and encouragement to continue his education.

With this support, Rahul regained confidence and returned to school with renewed hope. Today, he attends classes regularly and is actively building a future that once felt out of reach.

A GIRL'S JOURNEY TOWARDS EDUCATION

Priya's Story

Priya, a young girl from a financially struggling family, was on the verge of discontinuing her education due to limited resources and social challenges. For her family, managing daily needs was already difficult, making her schooling uncertain.

When Balkranti Foundation identified her situation, she was provided with essential school materials and continuous encouragement to stay connected to her education.

With this support, Priya regained confidence and continued her studies with determination. Today, she attends school regularly, moving forward with hope and the opportunity to build a better future.

SUPPORT BEYOND LIMITATIONS

Ayaan's Story

Ayaan, an 8-year-old child with physical disabilities, faced daily challenges in movement and participation. Due to limited access to proper care and support, his growth and confidence were gradually being affected.

When Balkranti Foundation reached out, Ayaan and his family were provided with essential support, care, and continuous encouragement to help him engage more actively in daily life.

With consistent support, Ayaan has shown visible improvement in confidence and participation. Today, he is more active, expressive, and moving forward with a stronger sense of independence and hope.

STRENGTHENING FAMILIES

Meena's Family

Meena a mother of two, struggled to provide basic necessities for her children due to ongoing financial instability. Ensuring daily meals and continuing her children's education had become increasingly difficult.

When Balkranti Foundation identified her situation, the family received regular food support, essential supplies, and community assistance to help them through their challenges.

With consistent support, Meena's family gradually regained stability. Today, her children are able to focus on their education, and the family is moving forward with improved dignity and hope.

FUTURE GOALS

As Balkranti Foundation looks ahead, our vision is to deepen our impact and expand our reach to support more children and communities in need. We aim to strengthen our educational initiatives by ensuring that every child has access to learning resources and opportunities that enable them to build a better future. At the same time, we are committed to enhancing our support for children with disabilities by creating more inclusive and accessible programs that promote dignity, independence, and growth. Our focus also extends towards improving healthcare, hygiene, and nutrition initiatives, ensuring that families receive the essential support required for a healthy and stable life.

Moving forward, we seek to reach more underserved partnerships, and develop sustainable initiatives that create long-term impact. Communities, build stronger with continued effort and collective support, We strive to build a future where every child is empowered, included, and given the opportunity to thrive.

PEOPLE IMPACT

The support we received helped my child continue education without any interruption. We are truly grateful.

Sandip Jadhav — Parent

Being part of Balkranti Foundation has been a meaningful experience. It feels great to contribute towards real change.

Sumit Rane - Student

"The assistance provided during difficult times made a big difference in our lives."

Sakshi Pawar — Beneficiary

"Their work towards children and communities is truly inspiring and impactful."
